Notice regarding Annaghdown Cemetery: Despite the continued efforts a new cemetery site has not emerged. Also with restrictions on any expansion of the present boundary the Community is faced with a dilemma. The possibility exists to avail of some plots still available within the present cemetery. Following a survey done by Galway County Council a number of vacant plots have been identified. These may have been already sold /allocated to individuals or families, but records are scant. In order to identify possible available plots and eliminate the owned but still vacant plots from such viable spaces, Parishioners are asked to indicate to a Committee member their ownership of any plot that doesn't at present have a name on a headstone.

Heritage Society Wells Project: Many thanks to those who have provided information on wells in their area. If you are aware of any stone-built well in your area please let us know via any committee member or by contacting wells@annaghdownheritage.ie. We welcome information on the location of wells, together with any stories, folklore, traditions, cures, songs, poems, etc. associated with them. We hope to publish the results of the project in the autumn.
