Notice regarding Annaghdown Cemetery: Despite the continued efforts a new cemetery site has not emerged. Also with restrictions on any expansion of the present boundary the Community is faced with a dilemma. The possibility exists to avail of some plots still available within the present cemetery. Following a survey done by Galway County Council a number of vacant plots have been

identified. These may have been already sold /allocated to individuals or families, but records are scant. In order to identify possible available plots and eliminate the owned but still vacant plots from such viable spaces, Parishioners are asked to indicate to a Committee member their ownership of any plot that doesn't at present have a name on a headstone.
