Parish Envelopes: Parishioners are strongly encouraged to join the envelope box system for making weekly contributions to the parish. The system makes it possible for the parish, as a registered charity, to claim a contribution from Revenue on overall contributions over €250 a year. This contribution from Revenue does not cost the contributor anything, and does not have any implications for the person's tax affairs. New envelopes are now available in the Church for 2020. Please contact the Parish Office if you have not previously been using the envelope system. Thanks to all for their contributions and to those who recently signed the consent forms to apply to Revenue.

Church Windows: Sincere thanks to all who contributed to the envelope collection for the windows, which to date has raised €8040. The first three windows have been installed after extensive restoration, and we hope to restore

three more in the New Year. The overall cost of restoring these six windows is in the region of €30,000, so further fundraising will be necessary to continue the project.
