Church Windows: Sincere thanks to all who contributed to the envelope collection for the windows, which to date has raised €9,040. The first three windows have been installed after extensive restoration, and work has commenced on three more. The overall cost of restoring these six windows is in the region of €30,000, so further fundraising will be necessary to continue the project. Note the old frames are still in these last 3 windows. These frames will be replaced with the new brass ones when the refitting takes place.

Trócaire Boxes: Are available in the Church. Please bring one home with you and support the great work being done by Trócaire.
