Face coverings: The wearing of a face covering during Mass is advisable. Wearing of cloth face coverings may help prevent people who do not know they have the virus from spreading it to others. Please continue the washing of hands and good coughing/sneezing etiquette as well.

Synod 2021-2023: Pope Francis has opened a new process for a different model of church. What's unique about this synod? Unlike past synods, this one isn't about addressing a particular issue but about becoming who God calls us to be as a Church. It is no longer only a one-month Synod of Bishops but a two-year process for the entire People of God, all the baptised! All are invited and no one is to be left behind or excluded! What is the Holy Spirit saying to the Church in Ireland here today?

We remember and pray for Ashling Murphy whose death has shocked our whole country. May God comfort all of Ashling's family, friends, work colleagues and her beloved 1st class students who try to come to terms with this great loss.
