Synod 2021-2023: Pope Francis has opened a new process for a different model of church. What's unique about this synod? Unlike past synods, this one isn't about addressing a particular issue but about becoming who God calls us to be as a Church. It is no longer only a one-month Synod of Bishops but a two-year process for the entire People of God, all the baptised! All are invited and no one is to be left behind or excluded!

Catholic Schools Week: Takes place from January 23rd to 30th. The theme this year is 'Living life to the full' and celebrates the contribution of our schools to the common good of society.
