**Parish Pastoral Council: We will shortly be looking for parishioners to consider becoming members of the new Parish Pastoral Council. The Council is the group that meets and prays together to decide how the needs of the Christian community can best be served and where God is leading us in the future. Pope Francis' focus on a Synodal Church, where people journey and listen to each other will guide the future direction of the new Council. We thank the members of the outgoing Council for their work over the past four years and pray that others may now step forward to continue to help in their good work.**
