**Lord our God, Father of compassion and the God of all comfort, who  
encourages and strengthens us in all distress, we thank you for turning our  
suffering into a pathway to life, so that we may be thankful and trusting  
through everything. You can change what we find hardest into what is best for  
us. Praise to your name that a way through sin and death is given to us. Praise  
to your name that you have shown us a way through all evil, a way that is  
blest. Amen.**
