Funeral Ministry: Over the past number of months, the Diocesan Funeral Resource Team has been engaged in discussion & consultation on the funeral ministry needs of the Tuam Archdiocese. The Church recommends that, when no priest or deacon is available for the removal from the funeral home or home of the deceased or for graveside prayers, a lay person presides. Parishes are now considering how to prepare people for this Ministry, which will involve training, through lay people and priests working together. More information will be available in the coming weeks.
